Could NOT get enough of this! A unique twist on the classic Bloody Mary—while it's a fresh take, it still delivers those familiar, irresistible flavors.

As far as we know, this hasn't made it to the menu yet—but maybe we can change that!

A new staple for sure! I'm a huge fan of the local collaboration with Mystic Cheese Co.—I almost had to place a second order. **(Only \$5 during happy hour!!)**

Crispy, flavorful, and served with chimichurri and aioli. Eager to try sweet corn version. **(Chef Choice Empanada \$7 during happy hour)**
